The remainder of the day is at leisure to get familiar with this thriving city located between the Chugach Mountains and the waters of the Cook Inlet. The downtown area in Anchorage has grown into a prosperous and vibrant centre with a world-class museum and plenty of gift shops, galleries, and restaurants. DAY 3, Saturday: Tundra Wilderness Tour, Denali

Awake in Denali National Park, a vast region of unspoiled beauty, home to awe-inspiring Denali, the highest peak in North America. Today's Tundra Wilderness tour takes you through the National Park, and if the weather is clear, you'll see Denali. During the early part of the trip, keep a sharp lookout for the most impressive animal in the park - the Alaskan moose, largest in the world, weighing up to 1600 pounds. It's possible that you'll see Dall sheep on the mountainsides, caribous anywhere above the tree line, eagles soaring above and grizzly brown bears too! It's possible to also see and hear howling wolves in the distance. As you travel over mountain passes, the highest points offer expansive views of the Alaska Range on the horizon. While glaciers cover one-sixth of the Park, the sub-arctic wilderness also supports over 650 species of colourful flowering plants. Return to your hotel an evening at leisure
