#### Half Day Townships of Cape Town Tour

Join your local guide on a fascinating tour of Cape Town's townships. These locations illustrate the struggles still facing parts of the country and the bitter legacy of apartheid, but also show the great strides that have been made since Nelson Mandela was released from prison. Begin at the District Six Museum, dedicated to the once vibrant community that was displaced to the Cape Flats during the apartheid era. Drive through the former settlement and continue to Langa, the oldest formal township in Cape Town. Established in 1927 by the apartheid government, Langa residents lived in small quarters with little or no public utilities and were forbidden to gather in public without prior consent from the authorities. Today, while living conditions in Langa are slowly improving in select areas, you will see makeshift shacks built from sheet metal and wood scraps throughout your visit. Walk through the township to better understand everyday life experienced by the township residents before visiting a community center that provides arts and cultural education to locals.

Approximate tour duration is 3.5 hours.

The native plant life, known as fynbos, forms one of only six floral kingdoms in the world. Following the coastline along False Bay, return to Cape Town by way of Simon's Town. Here, visit the penguin colonies at Boulders Beach, and continue with a scenic drive over Muizenberg Mountain. Lastly, visit the Kirstenbosch National Botanical Gardens, resting at the foot of Table Mountain, for a short walking tour of the beautiful gardens before finally returning to Cape Town.
