The monument is a tribute to the Sioux Lakota Indian leader known as Crazy Horse. Here, Indian artisans showcase their arts and crafts and visit with guests. Visit the Indian Museum of North America. Now over 90 countries have national parks. This 2,219,766 acre park contains almost 300 geysers and over 10,000 hot springs, fumaroles and mud pots. Look for moose, elk, bison, bears and wolves. You will visit the major attractions of both Yellowstone's upper and lower loops on your leisurely visit to the park. Arrive for a relaxing two night stay at your lodge, Old Faithful Inn. Old Faithful Geyser is within easy viewing and walking distance of Old Faithful Inn. **CANADIAN ROCKIES COACH TOUR**

Circle West

**7 DAYS - 6 NIGHTS / VANCOUVER, JASPER, LAKE LOUISE, BANFF, VANCOUVER**

### Tour Itinerary

**Day 17: Alaska Cruise Arrives in Vancouver Board Canada Rockies Tour.**

Upon arrival in Vancouver you will join Canada Rockies Coach tour as wind its way through the farming communities of the Fraser Valley and Coast Mountains to the interior of British Columbia. From Kamloops, follow the Thompson River to the Albretha Glaciers. Overnight in Jasper at Lobstick Lodge Hotel, Jasper. While Italy has Venice and Florence, Canada has Banff and Jasper, legendary natural marvels that are as spectacular and vital as anything the ancient Romans ever built. But don't think these protected areas have no history. Of the thousands of national parks scattered around the world today, Banff, created in 1885, is the third oldest, while adjacent Jasper was only 22 years behind. Situated on the eastern side of the Canadian Rockies, the two bordering parks were designated Unesco World Heritage sites in 1984, along with BC's Yoho and Kootenay, for their exceptional natural beauty coupled with their manifestation of important glacial and alluvial geological processes. In contrast to some of North America's wilder parks, they both support small towns that lure between 2 to 5 million visitors each year. Despite all this, the precious balance between humans and nature continues to be delicately maintained.

**Day 18: Jasper to Banff**

En-route to the historic Jasper townsite, visit Mount Robson, the highest peak of the Rockies. Easily accessed by train or bus, and by car in summer, Jasper is surrounded by the jagged peaks of Jasper National Park. Home to an amazing abundance of wildlife, the area is an adventure sports lover's playground. The magnificent Columbia Icefield is to the south of the small town. Summer visitors hike, climb, golf and explore. In winter, skiing, snowboarding and dog sledding top the bill. If it's chilly, heat up at Miette Hot Springs in the National Park. Restaurants and bars hop year-round. Enjoy a leisurely hike through Maligne Canyon before heading South along the world-famous Icefields Parkway to take in some of nature's most spectacular mountain scenery. Have your camera ready for possible wildlife sightings! Highlights include Athabasca Falls, Peyto Lake, and the Columbia Icefield. Ride the "Ice Explorer"\* on the Athabasca Glacier. Overnight in Banff at Banff

Inns.

**Day 19: Sightseeing in Banff National Park**

Enjoy a full day of sightseeing in Banff National Park. Start your morning with a leisurely hike in Johnston Canyon and stroll along the shores of picturesque Lake Louise and Moraine Lake. Alpine, cross-country skiing, heli-skiing and snowboarding are popular activities in quiet Lake Louise, 35 miles east of Banff, as are ice fishing, skating, dog sledding and ice climbing. In summer, the area attracts almost as many visitors to its trails, waters and rock faces. Peer into turquoise Lake Louise in Banff National Park, three miles from the town of the same name, and be amazed by the colour. The renowned grand hotel Chateau Lake Louise sits at the brim of the eponymous lake. In the afternoon, visit the world famous Banff Springs Hotel and Bow Falls. With your free time in Banff, you may also choose from optional activities such as soaking in the natural spa at the Upper Hot Springs\* or taking a gondola ride to the top of Sulphur Mountain\*. Overnight in Lake Louise at Lake Louise Inn.

**Day 20: Banff to Vancouver**

This morning, enjoy a drive through Rogers Pass, the highest part of the route to the Rockies. On your scenic return journey through Yoho National Park, catch a glimpse of an engineering marvel: the Spiral Tunnels. Arrive in downtown Vancouver in the evening. Overnight Landmark Empire Hotel Vancouver for 1 night

**Day 21: Vancouver to Australia.**

*Please catch a taxi from your hotel to Vancouver airport for your flights home to Australia. Tour Concludes – Memories Begin.*

*You can add on extra days in Vancouver on at the end of the trip for more time in the City by the Bay – please ask your reservations consultant to book*

*some extra day for you at time of booking.*

**Volendam**  
**Ship Rating: ★★★★★**

In the three-level atrium of this ship, a dramatic sculpture of red lacquered metal and blue-green glass constantly changes appearance as fiber optic light reflects through the glass. Passengers dine in the Renaissance-style Rotterdam Dining Room, or they can opt for the 88-seat Marco Polo Restaurant, an Italian bistro. The Frans Hals Show Lounge features rich wood paneling, a multicolored ceiling and brightly colored ceramic vases from Delft, Holland. One of the most unique features is the Culinary Arts Center, a state-of-the-art show kitchen with plasma video screens and cooking display counters -- a must-see for food and wine enthusiasts. View a movie at the Wajang Theater, catch up with current events in the Erasmus Library, or get a massage in the Ocean Spa. Vancouver is located in the southwest corner of British Columbia in western Canada. It lies about three hours north of Seattle, WA, by car. If driving to Vancouver from the United States, allow for extra time at the border crossing, which can get busy, especially during holidays and long weekends

Inside Passage follows Alaska cruise itineraries from Puget Sound in Washington, to the Alaskan Panhandle. As ships sail through, they give plenty of opportunity to see various the wildlife and landscapes that Alaska has to offer. Travelers can admire the ever-changing scenery that constantly transitions between beautiful coastal towns, towering forest walls, and massive glaciers that stretch up over narrow passageways. Be sure to watch for Bald Eagles, and search the water for signs of sea lions, porpoises, and whales as you cruise along.

Secluded in the Tongass National Forest, Tracy Arm boasts some of the most spectacular views in North America. At the head of the fjord, you will observe dramatic views of the twin Sawyer Glaciers, which are surrounded by towering mountains that rise over 7,000 feet over the blue water. You will also see waterfalls and tidewater glaciers along the way and you may even catch a glimpse of the wildlife that calls this area home: the great bald eagle, seals relaxing on the icebergs and if you are lucky, a bear or mountain goat.

Alaska's capital city of Juneau is a dramatic sight with a backdrop of lush green mountains. Visitors here can drive, float, paddle or take a helicopter to the monumental Mendenhall Glacier. Other popular excursions include cruising along the straits and sounds of the Tongass National Forest, prospecting for gold at the original site of gold discovery or visiting the Alaska State Museum and the Alaska Brewing Company.

Skagway - the northernmost point of the Inside Passage, the town reflects its mining past in the false-front buildings and gold rush relics. Tourists can experience the majesty of White Pass summit and the Yukon territory aboard the railway, paddle to Glacier Bay and Chilkoot Bald Eagle Preserve, get a close-up view of the natural beauty on a wilderness safari, soar over glaciers on a helicopter tour or, for those who catch the fever, pan for gold.

Glacier Bay - icy wilderness of this spectacular national park and preserve displays massive glaciers that stretch from the ice-draped St. Elias and Fairweather mountain ranges to the ends of majestic fjords. The park is also home to an amazing world of marine life, including humpback whales, sea otters, porpoises and harbor seals.

Ketchikan - a traveller's first view of this Inside Passage port town may be of a boat-filled harbor enveloped in snowcapped mountains. The rustic city of Ketchikan has been called the totem pole capital of the world. Tours show off the city's streets, restored from the pioneer days; the harbor's salmon

canneries; and the world's oldest collection of totem poles at the Totem Heritage Center. Sportfishing, kayaking, hiking, bear watching and Misty Fjords seaplane excursions are also popular.
