Seemingly on the cusp of dramatic change, there has never been a better time to visit Cuba- the place that Christopher Columbus once described as “the most beautiful country human eyes have ever seen.” Cuba is a Caribbean island nation under communist rule.

It has sugar-white beaches and is dotted with tobacco fields, which play a part in the production of the country's legendary cigars. The capital, Havana, is lined with pastel houses, 1950s-era cars and Spanish-colonial architecture in the 16th-century core, Old Havana. Salsa music plays in the dance clubs and cabaret shows are performed at the famed Tropicana.

This tour includes a 7 nights cruise of Cuba and neighbouring islands, and a 9 day Escorted land tour of one of the most exciting Caribbean Islands on the cusp of change. Now is the time to explore this island nation before it changes forever.

Includes

- Return airfares from all Australian Capital Cities to Havana Cuba.
- 7 nights MSC Armonia Cruise of Caribbean Jamaica, Caymen Islands and Mexico including all meals and entertainment on board
- 1 night Havana Pre tour
- 8 Day Explore Cuba Escorted Tour visit Havana, Cienfuegos, Trinada, Vinales

8 DAY CUBA TOUR ITINERARY

DAY 9: HAVANA

There's so much life in Havana, and yet this bustling city never feels overwhelming. The only difficult thing about the city is knowing where to start exploring. The best way for those on our 8 day Cuba group tour to get started is with a pair of comfortable walking shoes. The entire city is fascinating, but fortunately many of the main points of interest are within a fairly compact area. Take a leisurely stroll through Havana's Old Town, with pauses for coffee (and Cuban coffee is amongst the best in the world), or for a magical mojito. The architecture of this part of the city is an attraction in itself. The first day of our 8 day Cuba group tours is the perfect way to ease yourself into Cuban life. You can even join your guide and fellow tour group members for dinner if you arrive in time.

Please note that the first day of the tour is a **joining day** with no formal activities planned. We do organise your accommodation for this evening and a optional dinner with your guide and group.

This tour does not spend a lot of time in Havana, so we do recommend booking an extra night or two here if you have the time (or book our 10 Day Vivacious Cuba Group Tour). Our team would be more than happy to provide any recommendations or advice as to the best sights, excursions and activities to focus on. We can also arrange half and full days tours in Havana and its surrounding regions.

DAY 10: CIENFUEGOS

We'll show you Playa Girón, which is otherwise known as the Bay of Pigs. This was the site of the infamous failed invasion of Cuba. Its brutal history is nowhere to be seen, and it's now an area of profound natural beauty. You'll want to dive straight into that beautiful ocean, and don't worry – there will be time.

While most of Cuba was settled by the Spanish, it was actually the French who made Cienfuegos into the city it is today. French migrants flocked to the area in the 1800's and their architectural influence on the city is obvious. On some streets you might think you're walking through Paris (although with infinitely better weather). At the entrance to the harbour you'll see the Castillo de Jagua, an ancient fort that allowed the city to withstand the pirate attacks that were once common in Cuba. Many buildings in the town have been given UNESCO world heritage status, and you might think you've never seen such a beautiful town... until we show you some other places.

A harbour city by location, the 'Pearl of the Caribbean' has seduced Cuban travellers for years due to its elegance and beauty. Explore the wide streets and promenades or enjoy a walk by the Malecon, the longest promenade on the island. "Cienfuegos is the city I like the best", wrote Beni More, one of Cuba's most important musicians in the first half of the 20th century.

DAY 11 & 12: TRINIDAD

While Che Guevara is synonymous with Cuba, his final days were actually spent in Bolivia. Cuba felt he needed a hero's burial and memorial, and this is located in Santa Clara, to where his body was returned. Our 8 day Cuba group tours will take you to this remarkable spot near Trinidad. It was in Santa Clara that Guevara and his rebels successfully derailed a military train carrying weapons and ammunition to be used against Fidel Castro. This act was credited with winning the revolution.

After Santa Clara we'll take you to remarkable Trinidad. Founded in 1514, the central parts of the city have been lovingly maintained, and you might wonder if you've been transported back in time. Many buildings are painted in sensational shades of colour, making Trinidad a true treat for the eyes. Trinidad was once the heart of Cuba's sugar industry (and a lot of sugar cane is still processed here). You simply have to take a visit to the sugar district, where many of the old mills can be found. For a fairly small city, there's an amazing amount of nightlife as well.

Take the opportunity to visit a local waterfall, historic sugar mill or one of Cuba's best beaches – Playa Ancon. An evening at one of Trinidad's effervescent music venues is a must!

DAY 13 AND 14: VINALES

Viñales is reasonably close to Havana, and has been popular with visitors for generations. In the heart of the Pinar del Rio valley, most of Cuba's tobacco production takes place in and around Viñales. This is the place to see where those world famous cigars come from, and to get some for yourself.

The geography in the area is stunning, and the town is ringed by stark mogotes – small hills with sheer rock faces. All of our Cuba group tours offer you the chance to take salsa lessons, and Viñales is the best place to do this.

The nightlife is lively, but not as crowded as larger cities – just in case you don't want to have an audience!

DAYS 15 AND 16: HAVANA

We'll welcome you back to heavenly Havana for the last days of your tour. Your guides will be able to tell you about some amazing places to see that you might not have considered. A tour of the city by classic car is included in your 8 Day Cuba Group Tour, so you'll get to see Havana as a local would.

As a special treat at the end of your tour we'll take you to a special rooftop in Havana's Old Town that makes a sublime mojito (or a non-alcoholic alternative).

You'll be taught how to make a classic Cuban cocktail before enjoying a farewell dinner with your group and guide, with an unbeatable view over the rooftops of the city. Then it will be time to say goodbye, but we are sure you'll come back to see us as soon as you can...

Please note that Day Eight is the tours **departure day**, meaning you are free to depart at any time.

Life aboard MSC Armonia

MSC Armonia is based in Havana, Cuba, a country that has recently opened up to cruise ships, and is attracting much attention. From Havana 7-night cruises offer three itinerary options: spend the first two nights in the Cuban capital as a base for sight-seeing, then visit Jamaica, the Cayman Islands, and Cozumel in Mexico; stay two nights in Havana, then visit Jamaica, the Cayman Islands, and the brand new company port Ocean Cay in the Bahamas; or, spend one night on board in Havana, then call at Belize, Roatan (Honduras), Costa Maya (Mexico), and Isla de la Juventud. (The latter is the original Treasure Island, and of Captain Hook and Peter Pan fame.) The Line offers good affordable cruise vacations the Italian Way, filled with fun activities and having a wide appeal. There are lots of children during school holidays.

MSC Armonia has been in service since 2004. In July 2015 she returned from a refit with more balcony cabins, public areas, restaurants, and kids' areas. Extended by 24 m, at 65,591 GT, with 194 cabins added, she now carries 2142 passengers. Her Italian décor avoids the neon glitter of some cruise lines, and accentuates marble, wood, brass, and soft furnishings. Guests are young adult couples, singles, and families with children of all ages with their associated noise (*joie de vivre*, or some may say *ambiance*). The ship appeals to mainly Europeans with multiple languages used onboard. The ship has few concessions for the physically challenged. During the northern Summer most passengers are from the Continent, but on the cruise you will also meet guests from the U.K., USA, and Australia. Europeans tend to smoke more, even in the no-smoking areas. Kids under 18 cruise free on some itineraries sharing a cabin with 2 adults.

Accommodation

Two-thirds of the cabins have an outside view, and of these just one-quarter have a private balcony. Interior and Ocean View cabins are small at 12.9 sq.m. All cabins have interactive TV, AC, telephone, hairdryer, mini-bar/fridge, safe, wardrobe, bathroom with shower, and cotton towels. Two single beds can be converted to a double bed. Outside cabins have a large rectangular viewing window. The 132 suites with private balcony come with a large double bed, a sitting area with sofa, a substantial walk-in wardrobe, bathrobes, a well-stocked mini-bar, and an expanded bathroom with tub. The suites are well laid out and nicely furnished.

Many 'Ocean View' cabins on deck 7 have obstructed views, so be alert to this. For all cabins continental breakfast is complimentary from 7.30 to 10 am, while room service snacks can be bought at other times, but there is a per-item charge for other orders. For suites, a basket of fruit is provided at embarkation, and replenished daily. There are five cabins for the disabled, and no single cabins.

Food and Dining

The principal dining room is La Caravella Restaurant, with open seating for breakfast and lunch, and two seatings for dinner. Instead of paying for cold water in dining rooms, fill your own bottle in your cabin, chill it in the mini-bar, and bring it with you at meal times. The smaller L'Approdo Restaurant shares the same menu.

Dining is notable for its quantity rather than its quality, though the food is a highlight for many passengers. The alternative specialty restaurant is Kaito, an authentic Japanese venue with an extensive, outstanding menu. The quality is high, and it is really worth having at least one meal here. Le Vele Cafeteria is a casual, self-serve, 24-hour buffet. There is also a grill and pizzeria. A number of other cafés are located around the ship. MSC Cruises provide better-quality ingredients, mostly from Europe, featuring Italian cuisine and regional wines, and daily fresh pizza dough and sauces.

There's no tea or coffee for lunch and dinner in the dining rooms, only in the buffet. You may have to ask for milk. For coffee and pastries head for The Coffee Corner. There are eight themed bars that include La Cabala Lounge, a piano lounge, and Sotto Vento Pub.

Dining at breakfast and lunch in La Caravella may have you seated with others of a different language, given the continental background of the passengers.

Entertainment

The two-deck Theatre dell Opera presents productions shows, cabaret, plays and other theatrical presentations. Some productions may be short, just 30 minutes. Entertainment includes the Opera Lounge for social dancing, the Byblos Discotheque, an extensive Internet café; and the Monte Carlo Casino. The ship has a number of bands and small ensembles to provide music for dancing and background. To get away from the constant activity and noise, retire to Library/Card Room.

The Health Centre is operated by Blue Ocean, and treatments include acupuncture. Facilities include steam room, sauna and beauty parlour. Fitness amenities include a gym, climbing wall, jogging area, two adult pools, two whirlpools and mini golf. Children have three play areas and their favourite, an ice-cream parlour. A "baby-parking" service is helpful when parents want to go on shore excursions. Teens have their own area on the top deck. A few occasional notes: Children sail free on certain itineraries, and in July/August there may be 400 or so. Heavy smokers are everywhere, and the staff are more focused on Italian passengers. Port calls may be short time-wise.

At the end of your stay in Havana we like to use Casa Particular accommodation in Havana Centro or Havana Vieja. WHAT IS A CASA PARTICULAR?

A Casa Particular is a Cuban Homestay or B&B. Staying in a Casa Particular is a brilliant way of immersing yourself in the life and culture of fascinating Cuba. When you choose a Casa Particular for your accommodation, you will meet the local people on a one-to-one basis and get a rare glimpse into the everyday life of ordinary people in Cuba. In addition, your host or hostess will be able to advise you on all things Cuban – the best restaurants, the best music and Salsa venues and any seasonal attractions that are only known to the locals! Casa Particular (or Casa Particulares in the plural form) is Spanish for 'private home'. In 1997 the Cuban government allowed local people to rent out their properties to visitors for the first time; prior to this all accommodation on the island was owned by the government, and this is why these Cuban-styled B&B's or rental apartments are called Casa Particulares to distinguish them as privately run establishments.

Owners of a Casa Particular have to pay an annual per-room tax to the government and are entitled to "advertise" their establishment by placing a small sign on the door – two blue triangles – "roofs"- against a white background.

Most of the owners/operators are fiercely proud of their businesses and really strive to give holiday makers a brilliant and authentic Cuban home-stay experience.

IS THIS CUBA TOUR FOR ME?

Our group tours are perfect for those who want the freedom and flexibility to travel at their own pace, along with the security, camaraderie and cultural insight that comes from travelling with a local English-speaking guide and small group.

- Cuban B&B's (Casa Particulares) are family run business which are set-up to provide B&B style accommodation to foreigners – a unique cultural experience. Casa's are generally much nicer than normal Cuban dwellings but can be more basic than foreigners are used to. It is important to remember that each room at a Casa is unique in its size and set-up. Whether you stay in a hotel or Casa, sometimes power cuts and breaks in hot water are unavoidable in any developing country.
- Part of the experience of traveling through Cuba is experiencing Cuban resourcefulness. Spare parts are often difficult and expensive to come by, so don't be surprised if your notice that 'Cuban innovation' has been used to keep various things working.
- Access to the internet in Cuba is getting better but can still be variable, slow and unreliable. It is also relatively expensive to get online at a hotel or one of the various Wifi zones that have been set-up across the country. Traveling through Cuba offers a great opportunity to take a break from your electronic devices and have a truly relaxing experience.
- Cuba is a unique travel destination and that is what makes it so popular. It is part of the 'laid back Caribbean' and things don't always go to plan or schedule. A great sense of humour and patience are qualities that will go a long way in making your stay in Cuba an enjoyable one.

MAP

ITINERARY

DAY ONE: HAVANA

Known as the capital of fun during the 40's and 50's, this spellbinding city immediately captures the curiosity of her many visitors. But where do you start? We recommend those booked on our 15 Day Cuba Group Tour put on your walking shoes and take in Havana's rich history, grand monuments, world famous cigars and scrumptious cocktails.

You can easily get lost in Havana Vieja (old Havana), the old city of cobblestoned alleyways and colonial buildings, ancient squares and noted churches. The perfect day to get your bearings and meet your guide and group for an optional evening meal.

Please note that the first day of the tour is a joining day with no formal activities planned. We do organise your accommodation for this evening and a optional dinner with your guide and group.

DAY TWO: CIENFUEGOS

Stop off at Playa Girón/ Bay of Pigs, long associated with the USA's first military failure in Latin America. The natural beauty of this area is stunning, with cave systems, coral formations and an abundance of sea life making it a must for snorkelers, divers and ocean lovers alike.

If Cuba had a Paris then it would probably be Cienfuegos, which stands out for its rich French-influenced architecture. A harbour city by location, the 'Pearl of the Caribbean' has seduced Cuban travellers for years due to its elegance and beauty. Founded in 1819 by Don Luis de Clouet, Cienfuegos luckily managed to remain free of pirate attacks, allowing this popular city to prosper. Explore the wide streets and promenades or enjoy a walk by the Malecon, the longest promenade on the island. "Cienfuegos is the city I like the best", wrote Beni More, one of Cuba's most important musicians in the first half of the 20th century. Check it out for yourself and see what you think.

DAY THREE, FOUR AND FIVE: TRINIDAD

Stop at the Che Guevara mausoleum and memorial in Santa Clara, where Che's remains are immortalized following their discovery in Bolivia in 1997.

Santa Clara holds a special place in Cuban history, where in December 1958, Commander Ernesto Che Guevara led his revolutionary rebels in the derailment of the armoured train carrying the ammunition Batista had sent to defeat Fidel – the revolution was won.

Then it's on to the favourite destination of many a traveller to Cuba. Trinidad was founded in 1514 by Diego Velázquez and is considered a jewel in Cuban colonial architecture. For some, Trinidad is a living museum, stuck in the time of Cuba's first War of Independence when local sugar plantations were devastated by fire. The vibrant colours and soulful music littered along cobbled streets will simply take your breath away.

Take the opportunity to visit a local waterfall, historic sugar mill or one of Cuba's best beaches – Playa Ancon. An evening at one of Trinidad's effervescent music venues is a must!

DAY SIX AND SEVEN: CAMAGUEY

Don't get lost in "La Ciudad Confusa" (the maze)! The labyrinth of winding streets and alleys of Cuba's third largest city shouldn't be enough to put you off visiting the beguiling city of Camaguey – a city built to confuse pirates.

With its large number of squares and parks, colonial architecture and enriched spiritual persona, Camaguey is a mecca for Cuban arts and culture. Plan a visit to a famous historical landmark or explore a myriad of art galleries and handicraft exhibits – it's entirely up to you! There are also some of Cuba's best beaches close by at Playa Santa Lucia.

A guided tour on the back of a bicycle taxi is our gift to you!

DAY EIGHT AND NINE: SANTIAGO DE CUBA

The second largest city in Cuba is surely its most dynamic. With a myriad of ethnicities calling Santiago home, it's hard not to get swept away in its joyous and prepossessing surroundings. Plus its music and dance scene is quite possible the best in Cuba.

As the most Caribbean of Cuban destinations with a backdrop of mountains and rugged terrain, Santiago de Cuba has many things to show off and be proud of. It is the hub of most of the music genres in Cuba and the locals are hospitable, resourceful and virtuous.

Make sure you visit one of Santiago de Cuba's famous tobacco factories when in town and take in a famous music venue or two in the evening on your 15 Day Cuba Group Tour.

DAY TEN, ELEVEN AND TWELVE: BARACOA

Cuba's first colonial capital, Baracoa is set amongst a mixture of palm, chocolate and banana trees. It is a land blessed with many rivers and a healthy annual rain fall, which has worked to create some of the most lush vegetation and rainforest you will ever encounter.

The town has remained relatively unchanged over the years, with several houses dating back to the 19th century and a system of colonial fortifications that includes Matachin Fort and La Punta Fort. From Baracoa there are many outdoor excursions to go on, each making use of its beautiful surroundings. Explore the bountiful rivers in the area or go boating between the tall cliffs at the mouth of Yumuri River. You can also see over 900 species of endemic flora, including around 360 that are found only in this area. Baracoa's cuisine is world famous in Cuba and a BBQ group lunch is the best way to sample the delicious local produce.

DAY THIRTEEN, FOURTEEN AND FIFTEEN: HAVANA

Back in Havana you have the opportunity to explore some more and experience Cuban nightlife one last time. A full day tour of the city including time in a classic American car is included as part of your 15 Day Cuba Group Tour – enjoy!

Please note that Day Fifteen is the tour **departure day** with no activities planned, meaning you are free to depart at any time.

Modern meets ancient in Mexico City - one of the world's largest urban centres. Although crowded and smoggy, D.F. (Distrito Federal) offers a great variety of impressive museums, galleries and architecture, along with exciting night life and delicious street food. Today is just an arrival day, there are no organised activities. If you arrive early perhaps head to the Zocalo, the city's huge central square, to see Aztec ruins and colonial architecture or relax in one of the many parks, plazas and gardens.

Day 3: Mexico City

- Today your Intrepid Urban Adventures guide will pick you up from your hotel at 10am before heading to the Basilica de Guadalupe. After the visit to the Basilica you will pick up the rest of your travel mates for today. Head out of Mexico City by local transport, experiencing how locals move about this crowded city. Hop off at the archaeological area of the Teotihuacan pyramids. As you tour the grounds, you'll visit the Moon Pyramid, the Calzada de los Muertos (Dead Pass), and the Sun Pyramid, which is the tallest and most spectacular in the area — it's 63 metres to the top.
- After exploring the pyramids, we'll continue the afternoon walking through the streets of a nearby town. Our first stop will take us into a family-run business where you will learn about 'obsidian' — the material that the Teotihuacan people use as a main element to make their tools, idols, and decorations. As well, you'll get to sip an ancient sacred drink called 'pulque,' which is extracted from the heart of the maguey (another kind of cactus) — considered by some to be the great-grandfather of tequila.

- Next up on this Mexico tour, pay a visit to the cactus product factory to try some of their produces which include jams, candies, spicy lollies, alcoholic creams, and other products made by the local people from the endemic vegetation such as nopal, xoconostle, and tuna (a cactus fruit, not tuna fish!).
- To finish our journey, we'll visit a local family for dinner. Their menu is always changing based on whatever they've cooked for the day — but there's always delicious options for every palate. You'll be welcomed into their home and experience traditional dinner customs.
- After dinner, we'll head back to Mexico City, arriving at about 9.30pm.
