We enjoy a lunch stop in the historic town of Dullstroom before we wind our way down the Drakensberg escarpment and into the untamed Lowveld. The road is filled with scenic beauty from mountain passes to the Acacia trees scattered across the African bushveld.

We spend the next two nights at our well-appointed GREENFIRE BUSH LODGE, which is situated in a private reserve within the greater Kruger National Park; an area where animals roam naturally and unrestricted. Being on a privately owned reserve allows us the freedom

to explore the wilderness in search of a variety of animals both on foot and in open game drive vehicles.

**DAY 4: BUSH LODGE**

As is custom in the bush, we start the day with a light breakfast of coffee and rusks before embarking on a guided game walk within this Big 5 area. Although we will walk for some three hours, the purpose is not to cover distance but rather to search for animals and to focus on the smaller things one misses while out driving around in the bush. A Drifters guide and/or tracker will lead the walk. Before the heat of the day, we return to the lodge for a sumptuous brunch, after which it's time to relax around the lodge and enjoy the serenity of the surrounding wilderness. A nearby waterhole in front of the camp is the source of water for many animals that come here to quench their thirst.

In the afternoon, we conduct an open vehicle game drive which develops into an extensive night drive, all the time searching for animals. Groups will drive in search of animals until just before the sun set, when the guide will stop and we have time to enjoy a sundowner drink as the sun sets over the bushveld. Once it is dark we continue our game drive. Being in the bush at night provides us with the opportunity of viewing nocturnal animals. This evening we enjoy a hearty bush "braai" cooked on an open fire. Fall asleep to the sounds of the wild.

The Panorama Route offers guests some of the best natural wonders in the area and we will spend as much time as possible at each of the highlights.

This afternoon we make our way to the tranquil GREENFIRE LODGE HAZYVIEW, a log cabin built spectacularly on stilts in the indigenous forest on the banks of the Sabie River.
