Small Group Tour –only 17 travellers.

Includes: Return airfares from Australia to South Africa, accommodation in hotel and lodges, transportation, sightseeing & amazing tour guides.

The casual visitor to Botswana could be excused for seeing the country as kilometre upon kilometre of flat, desolate scrubland with little or no surface water, but on closer inspection, coupled with local knowledge, a whole brand new world will manifest itself, and then you will experience what is arguably Africa's finest wildlife destination. It is a country the size of France, and over a quarter of Botswana's land is set aside exclusively for nature conservation.

Our tour will take us through the vast Makgadikgadi plains and we meet with the local Bushmen, the oldest people of Africa. Then venture further north – into the magnificent Okavango Delta where the waters originate far up in the north and flow downwards to create a living paradise on Earth, only to disappear into the vast sands of the desert. We will travel by boat to our private camp in the heart of this unique natural wonderland – home to a multitude of Africa's famed fauna and flora. We explore the renowned national parks in fully equipped open 4x4 vehicles and, depending on the season, our route will follow the age old game migration tracks. We enjoy a game viewing boat cruise in the mighty Chobe River, and finally will visit "The Smoke that Thunders" – Victoria Falls.

Ghanzi is home to some of the last traditional Bushmen that make a living in this harsh desert environment, and it is here that we will enjoy learning about the wilderness from these fascinating people.

Our experience will include an educational bush walk led by true Bushmen to give us insight into their daily lives and teach us how they manage to survive in these harsh conditions, their hunting and trapping skills, their peculiar belief systems, and how they find and store their water. Overnight on a vast tract of land owned and managed by the local people.

Meals: B L D

Included Highlights / Activity:

- Guided bush walk led by true bushman/san**

DAY 5 –7: OKAVANGO DELTA

The Okavango, a massive river emanating from far North, flowing Southwards, creating one of the world's only true inland delta's and a unique ecosystem that supports a huge variety of animal and plant life. The sight of a nervous Lechwe pounding across a flooded plain, the Jacana striding delicately amongst the flowering lilies, the Bee Eater diving to prey on an unsuspecting insect, and of course the familiar cry of the African Fish Eagle – all combine to create a canvas of one of nature's unique masterpieces, and then the river, eventually spilling its contents into the vast plains of the Makgadikgadi sands, and it's all gone – just as if you had walked out the other side of an Alice in wonderland book.

We begin our journey into the Delta near the panhandle, gliding through papyrus lined channels by motorboat to our exclusive wild island. We spend three nights here in the true wilderness, deep in the

wilds, exploring the area on foot and by mokoro (dugout canoe). There will also be time to simply relax and to absorb the remoteness and serenity of the area. Clients will not only learn more about the animals and plants from the local guides, but will also interact and have the opportunity to learn more about the people and their way of life in this isolated wilderness area.

We will spend some time stocking up on basic supplies before we travel the short distance out to the DRIFTERS MAUN TENTED LODGE to freshen up, or splash in the pool, and enjoy a catered meal.

DAY 9 – 12: FLEXIBLE GAME RESERVE SCHEDULE (5 Days National Parks)

We enjoy a scrumptious breakfast at the Lodge while preparing for the game viewing part of the trip which is undoubtedly one of the

highlights of the tour. Traveling in our well-equipped 4x4 vehicles we head into true wilderness, passing remote villages along the way. We spend five days in the national parks following seasonal game migrations on extensive morning and afternoon game drives, also with relaxing down time to appreciate this rare jewel of a place and its deep tranquillity.

An example of our route could be: starting with Moremi, we spend first night near the well-known Third Bridge. Drift off to sleep to the howl of the distant hyena or the earthy roar of a lion, and even the deep grunt of a half-submerged hippo. We then head on north via Xakanaxa to camp near North Gate. This area is excellent for game viewing and we will conduct afternoon and morning drives along the wetland areas.

Then on up to Savuti, the area offers a multitude of game drive options and a very active game area (keep the fruit well hidden from the roving elephant, the meat from the prowling hyenas, and everything from the monkeys). The vegetation is constantly changing, from open plains, palm trees and marshland, to dense Mopane woodlands and Acacia scrub, and hence all the fauna and flora changes accordingly.

Depending on the conditions in the national parks we might also venture into the Central Kalahari Game Reserve or the Makgadikgadi Pans National Park. During this part of the journey we camp in pristine, remote, private sites where there is no sign of man's existence – we leave each site in the same condition, nothing but footprints in the sand are left for the quiet winds to deal with.

Meals: B L D; B L D; B L D; B L D

We enjoy a relaxed morning at the lodge, spending time along the river bank and enjoying the tranquillity of the area, or lounging at the swimming pool. After an early lunch we continue and venture eastward into the spectacular Makgadikgadi Salt Pans area. Besides the stark scenery, the pans are known for their prolific birdlife and the other desert-adapted animals, and, when the rains come, migrating flamingos are spotted on the pans.

Without disturbing the surface, we make our way to a remote site where we take in the isolation and serenity of this expanse. Tonight we encourage clients to enjoy a night out under the canopy of stars. With no other artificial light in the area, our private overnight spot provides the perfect location for star gazing and our guides will take time to explain the constellations. As the stars dance above us we drift away to sleep.

Should the pans be inaccessible for spending the night we will make use of alternative camps in the area.

Meals: B L D

Included Highlights/Activity:

- Remote campsite on the edge of the pans**
- Night under the stars (weather permitting)**

DAY 15: CHOBE RIVER – VICTORIA FALLS

Gliding close to the banks we hope to approach the animals from the river for close up viewing. Our cruise will explore the Chobe River front and a section of the Namibian side of the Chobe River. Back on land, we cross the border into Zimbabwe and make our way to the GREENFIRE LODGE VICTORIA FALLS. The lodge is centrally situated and within walking distance of the falls and all other attractions.

This is the place where, according to ancient traditions, the “Big Snake” or “Nyami Nyami” is in hiding. On this day we include your entry and leave you to admire this wonder of the world. Various other attractions can be visited and activities enjoyed including the tribal village or curio market. An aircraft flip over the falls or a boat trip on the Zambezi River, white water rafting or bungee jumping are all worthwhile, but allowance must be made for the extra expense.

We spend two nights here, thus allowing clients some time to explore the town and all it has to offer by themselves. Tonight we will eat out in a local restaurant (own expense). In Southern and East Africa it is classified as a common courtesy to TIP “casual help (guides)”.

This TIP is not something that is forced upon you by any means, but in many industries of tourism it is customary. It works as follows: if you believe your guide has lived up to your expectations and has performed his/her job in a way that you respect and are happy with the services rendered, an amount of R 50 per day or equivalent amount of R50 per day in any major currency per person per day would constitute a fantastic tip. Remember that this is just a guideline and is not by any means compulsory, but seen as common courtesy in Southern and East Africa.
