In Africa things work a little different to the rest of the World. Tipping or gratuity, unless otherwise specified, is not included in the price you pay for services delivered. This accounts for restaurant meals, casual help and the services of the guide or guides that you will meet on your tour.

In Southern and East Africa it is classified as a common courtesy to TIP "casual help (guides)".

This TIP is not something that is forced upon you by any means, but in many industries of tourism it is customary. It works as follows: if you believe your guide has lived up to your expectations and has performed his/her job in a way that you respect and are happy with the services rendered, an amount of R 50 per day or equivalent amount of R50 per day in any major currency per person per day would constitute a fantastic tip. Remember that this is just a guideline and is not by any means compulsory, but seen as common courtesy in Southern and East Africa.

REQUIREMENTS FOR MINORS TRAVELLING THROUGH ALL BOTSWANA PORTS OF ENTRY

The Ministry of Nationality, Immigration and Gender Affairs informs the general public that it has imposed requirements for minors (children under 18) travelling through the country's ports of entry. Effective from the 1st October 2016 minors travelling through the country's borders will be required to produce certified copies of unabridged birth certificates in addition to their valid passports. In the event that one parent is not travelling with the child, the other parent's affidavit consenting to such travel should be availed. However, an affidavit will not be required if the father's name does not appear on the child's birth certificate. The development, which is aimed at managing the movement of children across the country's borders, has an ultimate goal of tackling human trafficking which is a global challenge. Botswana, like other countries is affected by this problem and as such has enacted the United Nations Anti-Human Trafficking Protocol; which calls upon governments to come up with deliberate measures aimed at combating human trafficking.
